AESTHETICS MEDICAL SPA

Natural Gems VIP member

Are you currently getting injectables and treatments? Become a Natural Gems VIP member and get exclusive access to member savings! Our membership is simple - every month a \$79, \$199, or \$399 payment will be credited into your account at Naturally You Aesthetics Medical Spa which you can use on products, injectables or services based on the membership tier you've selected. Every dime you put into your Natural Gems account is yours to use at Naturally You Aesthetics. If you'd like a service that is over your Natural Gems VIP membership credit amount, no worries, we'll apply your banked amount and you pay the difference - and you'll still get VIP pricing. This is definitely a no brainer for clients that are coming consistently for their Botox, filler, and skin health needs.
